## Valued Community Partners

“The Lions Club Winston Hills is a 40 year icon in the local community and we’re proud to partner with The Hills School for future community projects.”

Trevor Cole,  
New Projects Chairman

## Reach out to us today

Help The Hills School create an environment where children with disabilities have no barriers, where we can increase opportunity for them to learn and where they can feel that they are accepted members of society.

To find out how you can be involved in our community hub please contact:  
Peter Gurrier-Jones, Principal  
**Phone:** 02-9639 8448 or 02-9639 7334  
**Email:** [thehills-s.school@det.nsw.edu.au](mailto:thehills-s.school@det.nsw.edu.au)

# We love learning

We believe learning takes place best when it is fun, purposeful and when it happens with others.

## A community hub that supports children

Business and community groups are encouraged to join The Hills School hub. One initiative that kicks off in 2015 is the partnership between The Hills School community, The Hills Shire Council and Local and State Government to deliver an all-abilities community playground in Northmead.

Many similar partnerships with The Hills School are available to business and community groups.

## How do I get involved?

Ways to become part of our community hub:

- Employee volunteer programs
- Workplace transition programs
- Financial programs
- Sponsorship programs

The Hills School P&C plays a critical role in providing the best educational opportunities for students.

The Hills School P&C is a registered charity, offering tax deductions for donations.

## Special children need you!

Research shows that community involvement can:

- improve the wellbeing of students, families and carers
- help students become confident in everyday tasks
- increase student access to facilities and learning tools
- increase student access to physical and digital places required for everyday living
- make connections that will help students transition to the workforce

## A school with a difference

The Hills School caters for students from preschool to year 12 who have moderate to severe intellectual disabilities, physical disabilities, sensory impairments and students with Autism Spectrum Disorders.
